This directory provides a listing of the water and monitoring well drillers that have received their Kentucky Water Well Driller's Certificate, as of April 06, 2006. The certificate indicates that the holder is authorized to drill water or monitoring wells in Kentucky, as indicated, and has successfully passed the examination, completed training, or complied with other requirements of 401 KAR 6:320 and KRS Chapter 223. The drillers' companies are also listed, as of April 06, 2006.

The Environmental and Public Protection Cabinet does not recommend any individual driller or company over another.
